

Running a 401(k) doesn't have to be a challenge

It's time to think differently about the responsibilities, liabilities and time involved in managing a retirement plan.

MDIS Multiple Employer 401(k) Program (MEAP)

This MEAP brings together member plans into one group 401(k) managed by MDIS. That means you can hand over many of those responsibilities—freeing you up to spend your time where it counts: **focused on your business.**

Joining the MDIS 401(k) MEAP delivers:

- ✓ Competitive cost
- ✓ Less administrative work
- ✓ Relief from fiduciary obligations while maintaining your current plan design
