

RBF WEALTH ADVISORS SOLICITOR DISCLOSURE STATEMENT

Missouri Dental Insurance Services (“Solicitor”), serves from time to time as an unaffiliated solicitor for **ROMAN BUTLER FULLERTON & CO, D/B/A RBF WEALTH ADVISORS (“RBF”)**, a registered investment adviser which operates and markets advisory services on the websites, www.DentalWealthRx.com and www.StudentLoansRx.com, whose RBF’s principal office is located at 680 Craig Road, Suite 201, St. Louis, MO 63141. If you, because of Solicitor’s introduction, engage RBF to provide investment advisory services, Solicitor shall qualify to receive from RBF an ongoing referral fee of .20% of the advisory fee charged to you by RBF. You should be aware that the receipt of these referral fees gives Solicitor an incentive to recommend that you retain RBF, which is a conflict of interest.

RBF does not however increase advisory fees charged to clients (or charge other additional fees) to offset referral fee payments made to outside solicitors, and clients may choose not to engage RBF.

Solicitor is not an employee or client of RBF. With respect to your account, Solicitor’s role is limited exclusively to that of a solicitor, and therefore does not provide investment related services or give investment related advice on behalf of RBF.

By signing below, you acknowledge receipt of a copy of this Solicitor Disclosure Statement and also acknowledge receipt of a copy of the RBF’s written disclosure documents (Form ADV Part 2 Brochure and Form ADV Part 3 – Client Relationship Summary).

Should you have any questions, please contact Mr. Anthony Kalinowski, RBF’s Chief Compliance Officer at 314-997-1652.
